1.	We suggest you put some funds aside each year to pay for theatre trips and small course-related expenses. We would like you to see at least one professional production each term which could include professional shows scheduled at the Clifftown Theatre. Where students are involved in performances (related to their course) at locations other than East 15, where possible we will provide support with transport to and from the venue. However, students may, on occasion, be required to fund their own transport.	£120

2.	<p>Several important parts of this programme are delivered through work placement and community theatre practice in host organisations. Through this scheme students have the opportunity to apply their learning in a theatre company and in community organisations. Transport to and from your placement and practice sites therefore needs to be considered as you plan your budget.</p> <p>Costs will vary depending on where you choose to carry out your placement, where your host for practice is located as well as your chosen mode of transport.</p>	£-
