For expenditure related to your studies		Approx. cost
1.	We suggest you put some funds aside each year to pay for theatre trips. We would like you to see at least one professional production each term. Where students are involved in performances (related to their course) at locations other than East 15, where possible we will provide support with transport to and from the venue. However, students may, on occasions, be required to fund their own transport.	£120
2.	We recommend that you purchase copies of scripts as advised by your teachers throughout the year. These are often available to borrow from the library, although copies are limited and students find it useful to be able to annotate texts.	£50
3.	Although optional, many students like to purchase costume or prop items during the year. These can generally be sourced second hand at very affordable prices.	£25
4.	In preparation for Voice work, we suggest you source a copy of <i>Voice into Acting</i> by Christina Gutekunst and John Gillett. This publication is available in the library, although copies are limited and students find it useful to be able to annotate texts.	£22
Notional total cost for expenditure related to your studies		£217

We recommend to any student considering pursuing work within the industry that the following professional investments are considered. Indicative costs are subject to change and are listed in addition to published figures for 'additional course costs'. These costs become relevant at the end of year two of your course.
