

THINGS TO PREPARE | 2020 ENTRY

Be ready to tell a short tale about something in your life that happened to you. It needs to have been important and/or meaningful and it does not need to be funny. As a matter of fact, the point is for us to get to know each other in an open and honest way. You may also be asked to do some of your audition pieces, so keep them up on their feet.

Please do not panic about the academic reading list, you will get notice of what you need when you need it. However, please consult the list of additional costs on the 'Equipment List'.
