1.	We suggest you put some funds aside each year to pay for theatre trips and small course-related expenses. It is expected as part of your training that you watch and review at least one professional production each term; this can include professional shows scheduled at the Clifftown Theatre in Southend, or you could take advantage of the reduced rates for students at both local and London based theatres. Where students are involved in performances (related to their course) at locations other than East 15, where possible we will provide support with transport to and from the venue. However, students may on occasions, be required to fund their own transport.	£120

2.	In preparation for Voice work, we suggest you source a copy of <b><i>Voice into Acting</i></b> by Christina Gutekunst and John Gillett. This publication is available in the library, although copies are limited and students find it useful to be able to annotate texts.	£22
3.	Scripts	£60

We recommend to any student considering pursuing work within the industry that the following professional investments are considered.
