

INFORMATION FOR STUDENTS

BA Acting or **BA Stage & Production Management** at **East 15 Acting School** offer holders only. The following does not apply to applicants holding offers on any other East 15 or University of Essex course.

Applicants may only accept a place at one Federation of Drama Schools member school at any one time. If you have already accepted a place and subsequently change your mind and want to accept a later offer, you must cancel your acceptance of the previous place accepted, by writing to the relevant school. Cancellations can be received up to and including **1st July**.

After **15th July** no Federation of Drama Schools member school may make an offer to a candidate who has been offered and accepted a place at another Federation of Drama Schools member school. It is absolutely essential that you do not accept and hold more than one offer of a place at any one time, but you are free to attend auditions/interviews at other schools and may change your mind as often as you wish (provided you decline, in writing the previous offer) up to the closing date given above.

If you are offered a place on a course at a Federation of Drama Schools member school, you may, on accepting the offer, be asked for a deposit. Federation of Drama Schools strongly recommends that you make sure you understand each school's current policy on deposits before entering into an agreement that could have financial implications for you
