WORLD THEATRE HISTORY IN CONTEXT

For your work in Year 1 you will be required to purchase:

- Theatre Histories: An Introduction (3rd Edition) by Tobin Nellhaus, Bruce A McConachie, Carol Fisher Sorgenfrei, Tamara Underiner

This is the textbook that is used for the module on 'World Theatre History in Context' and it is also a useful tool for later work. It is available in paperback from Amazon for £37.99 (used copies are cheaper)

You should be familiar with and have copies of the following epics, which form the basis for much of world drama:

- The Iliad, The Odyssey (Homer) | approx. £10
- Ramayana (Valmiki) | approx. £10-£15
- Mahabharata | approx. £10-£15

All of these are available in modern translations, and it is perfectly acceptable to get abridged copies or even children's versions. I recommend the Penguin Classics editions, which are widely available and not expensive. They are all also available online and on Kindle, but these are not always the most accessible translations.

In addition, it is important that you purchase the following play texts, all published by Oxford Classics, Penguin or Nick Hern Books (NHB) and available to order online (e.g. Amazon) or at good theatrical bookshops:

TERM 1:

- Greek Tragedy 3 Plays (Antigone, Bacchae, Medea) McLeish /Raphael /McDonald | £7.19 (NHB)

TERM 2:

- Fuente Ovejuna, De Vega (tr. L Boswell) | £3.99 (NHB)
- Racine, 3 Plays: Iphigenia, Phaedra, Athaliah (translated by John Carincross) | £10.65 (Penguin)

TERM 3:

- Ibsen 4 Plays: Doll's House, Ghosts, Hedda Gabler, The Master Builder (tr. James McFarlane et.al.) | £5.99 (Oxford Classics)

Please buy the editions indicated because the translations have been selected with care and it is important that you all can be working from the same text. Cheaper used copies are often available. Online versions are not acceptable. Please let us know if you have any problems acquiring them. You can sometimes get used copies at discount prices. We will be working through this list of plays in seminar classes throughout the year and you should have all of the plays from the start so you won't have to worry about acquiring copies at short notice. You will note that they are inexpensive and, where possible, we have listed collections of plays that give you even more value for money.

We recommend to any student considering pursuing work within the industry that the following professional investments are considered. Indicative costs are subject to change and are listed in addition to published figures for 'additional course costs'. These costs become relevant at the end of year two of your course.

For additional professional costs (for 3rd year only)		Approx. cost
1.	Headshots	£150 - £250
2.	Equity Membership	£24 (per year)
3.	Spotlight Membership	£114 (per year)
